○ "WINE & WAFFLES"? THE STORY BEHIND THE NAME...

It began with two people: Vickie grew up surrounded by waffles after her parents began running Oles Waffle Shop in 1972. Ken was from Santa Rosa, had a background in wine and was dabbling in winemaking. Then, one fateful day in October of 2010, they met and soon after had their first date ttsailing under the Golden Gate Bridge. Fast forward to September 12th, 2012 when they've just finished saying their wedding vows. Standing at alter with two of their favorite wines, Silver Oak Cabernet and Opus One, they blended the wines together, raised their glasses and said, "Here's to Wine & Waffles".

The rest is history.
